DR. MAY B. ECLAR, CESO V

Officer in Charge – Office of the Regional Director

Department of Education - CAR

Wangal, La Trinidad, Benguet

Dear **Dr. Eclar**,

Greetings from the Consortium!

In line with the 12th Philippine National Health Research System (PNHRS) Week Celebration happening in Baguio City, the Cordillera Regional Health Research and Development Consortium is pleased to inform you that a seminar on *"Preparing Young Researchers Towards Social Innovations in Health Forum"* will be conducted on **August 6, 2018 (Monday), 8:30 AM to 12:00 NN** at the **CAP Building, Camp John Hay, Baguio City**.

This forum, as a satellite activity of the PNHRS, aims to inspire young researchers who are prepared to beneficially reinvent the healthcare system through social innovations—new ideas (products, services, and models) that simultaneously meet social needs and enhance access to quality and affordable health care for all, particularly the most marginalized populations. Utilizing the core principles and practices of the social innovations in health, this forum will create a cadre of young future researchers and leaders, who can potentially transform the quality, safety, efficiency, and patient experience in healthcare.

Relative to this, may we partner with you with regards to the conduct of the said forum by assisting us in the following:

- Extend invitation to **thirteen (13) senior high schools** located in Baguio City and Benguet. We would like to acquire about **sixty (65) participants** from these schools with a breakdown of one (1) faculty member/adviser and four (4) students per school.

We encourage the student participants to submit and present an idea during the forum. All entries will be short-listed. It should be an existing project or idea--- a documentation or observation in the community that needs social innovation. Deadline of submission and confirmation will be on July 23, 2018 at 12:00 NN.

Meals and snacks will be provided. However, we request that the allowable travelling or transportation expenses be shouldered by your school.

Please contact Mr. Carlson Dave Bolinto, to coordinate with your office about the activity and for your confirmation. You may reach him at cdhrd@car.gov.ph or you may contact him at Tel: (074) 422-2214 | Mobile: 0933-025-3772.

Thank you very much for your continuous support on this important undertaking.

Sincerely yours,

RAYMUNDO D. ROVILLOS
Conference Chair and Chancellor,
University of the Philippines - Baguio
