Dear Ma'am,

Greetings from the Science Clubbing Movement!

Last May 16, 2018, Philippine Society of Youth Science Clubs (PSYSC), Inc. made a request to your good office to grant a DepEd Regional Advisory for our upcoming event, the National Youth Science, Technology, and Environment Summer Camp (NYSTESC). The said advisory was released on May 22, 2018. However, after the release of the advisory, there had been a change in the venue and date of NYSTESC. From **Visayas**, we will be changing our venue to **D'Leonor Inland Resort and Adventure Park, Forestal Road, Buhangin, Davao City** and we will be moving the event dates from **July 28-31, 2018 to July 26-29, 2018**. We have exhausted all possible venues in Visayas but there have complications regarding the said previous target venue. The dates are also moved in favor of our organization's volunteers who are all college students and will be having their enrollment during the last week of July before the start of the first semester of school year 2018-2019 in August.

In line with this, we are once again humbly requesting your good office to change the venue and date (*an erratum*) in the DepEd National Advisory that has been released. I attached a copy of the released advisory along with this letter for reference.

Thank you very much and more power!

In service of the Filipino Youth,

Julia Jumalon
Secretariat Head
