 Schools Superintendent and Mandated Boar Member
 Philippine Red Cross – Baguio City Chapter

Sir:

Greetings from Philippine Red Cross Baguio!

We are pleased to inform your good office that International Humanitarian Law (IHL) is celebrated every 12th day of August of each year and declared under Executive Order No. 134 dated July 21, 1999. It aims to raise people’s consciousness and promote greater awareness on the importance of IHL through advocacy, promotion and dissemination activities. This celebration also commemorates the founder of Red Cross Movement, John Henry Dunant, and his humanitarian contributions which has inspired many.

The chosen theme for this year is “Pagprotekta sa Mamamayan sa Panahon ng Digmaan, Sama-sama Nating Pagtulungan”. IHL seeks to limit the human suffering and casualties of armed conflict with a firm belief that ‘Even wars have limits’. But it is not enough for IHL to exist. It is important that these rules are properly disseminated and accordingly followed thus assuring the protection and safety of civilian in times of war.

In line with this, we have officially opened a Poster Making Activity in relation to the said theme. The purpose of this activity is to involve and familiarize our youths regarding IHL and its protective purpose. With this, may we humbly request your good office to help us promote this activity to the schools under your department.

Attached is a document for your reference specifying the mechanics and criteria of the Poster Making Activity.

We would highly appreciate your favourable response on this request.

Sincerely Yours,
