Division of Baguio

Dear Dr. Martin,

Greetings!

Cordilleran Youth Center, Kabataan Partylist in Partnership with the Baguio City Council thru the Office of Councilor Peter Fianza is set to launch the 6<sup>th</sup> Baguio Students Day this September.

As the leading education hub in Northern Luzon, Baguio City has a vast student population coming from different provinces of the region. In higher education alone, Baguio's educational institutions consist around 60% of the student population in the Cordillera region. With this, Kabataan Partylist and the Cordilleran Youth Center along with other youth organizations, through Coun. Peter Fianza, lobbied and were able to pass the **City Ordinance No. 42, s. 2013** declaring every **2nd Sunday of September** as the Baguio Students' Day.

Since then, BSD has been annually celebrated through various activities – roundtable discussions, fora, summit, and cultural jams among others.

This BSD 2018, we carry the theme, *"Rise Up! For Education, Peace and Democracy"*.

**In line with this, we again, humbly ask for your good office to endorse the 6<sup>th</sup> Baguio Students' Day with the following line up of activities:**

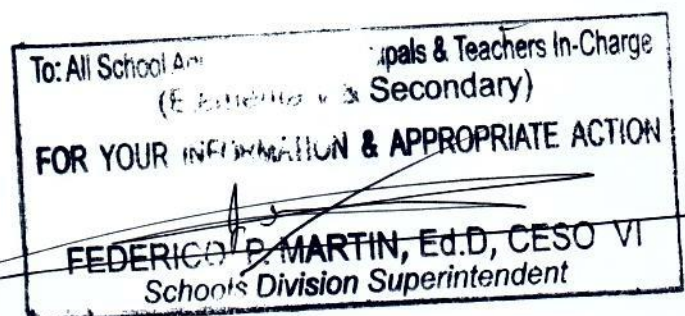

1. Konsultahang Kabataan (For scheduling, from Sept 10-15, various venue);
2. "Rise Up!" Social media campaign (Month-long via facebook, twitter, instagram);
3. 2<sup>nd</sup> Rise for Education Metro Baguio Summit (Sept 16, 9am to 5pm, venue to be announced);
4. EDUKantahan (Sept 16, 6pm to 9pm, venue to be announced);
5. BSD Awards 2018 (to be held at the EDUKantahan).

**Your endorsement for the past Baguio Students' Day contributed a lot to the success of BSD. Your assistance in inviting Baguio Secondary Schools for a wide-reaching and maximum participation of students, organizations and members of the academe is indeed of great help.**

For reference, attached herewith is your office's endorsement to last year's BSD, and this year's invitation letter and details of the activities. For inquiries contact, **0917-158-6448 / (074) 244-7350**. Thank you and we hope for your positive response!

## BAGUIO STUDENTS DAY 2018

Development and challenges in our education sector is notable this year: a.) the implementation of the RA 10931 or the Universal Access to Free and Quality Tertiary Education Law, b.) the completion of the first 2 years of K to 12 program and c.) the continuing Tuition and Other School fees in private schools triggered by the recently-implemented TRAIN law. Notwithstanding the current political climate of the country, it is indeed timely to make BSD as a platform for discussion, sharing of experiences and resolution-building. Thus, for 2018 BSD, we carry the theme, "Rise Up! For Education, Peace and Democracy".
