Dear Sir Martin,

To address the high prevalence of smoking the Baguio City Council unanimously approved the Smoke-Free Ordinance of Baguio City (Ordinance No. 34 series 2017), which prohibits the use, sale, distribution and advertisement of cigarettes and other tobacco products.

As stakeholders in the community, we would like to elicit your support in the massive and strict implementation and dissemination of the ordinance. In this regard may we invite you and all principals or school representatives of elementary and high schools, both public and private to join us on the **Smoke-Free Ordinance Orientation on October 16, 2018 at 1:00PM to 5:00PM** at the Multi-Purpose Hall of the Baguio City Hall.

For confirmation and further details, please do not hesitate to contact Ms. Diahreen Bugnay, Project Coordinator at CP 0919-5600-977 with email address diahreen.bugnay@gmail.com.

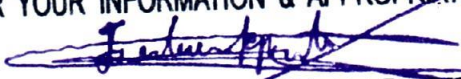

Your presence in this activity will accelerate the implementation of the Smoke-Free Ordinance towards a Smoke-Free Baguio!

Thank you.

Best regards,
