Dear Sir:

In celebration and commemoration of the 155th birthday of Gat Andres Bonifacio on November 30, 2018 and on the spirit of Creative City month, HYPHENMotion Co. Ltd. would like to collaborate with the Schools Division Office of Baguio City to provide a talk on the convergence of Art & History entitled "**LAKAN Re-Imagined: A Fight to Bring Back Eagle's Eye**", with primary purpose of seeing history in a higher altitude.

HYPHEN would like to invite Senior High School students from Baguio City to participate on the said event as we set a momentum for the next generation to write and create their story that will leave legacy for the generation not yet created. This is slated on **November 27, 2018 (Tuesday)** from 8am-11am at Cinema 2 SM City - Baguio. With learning investment of Php 350 per student, inclusive of a certificate & snacks, this event aims to inspire the young Filipinos to look for their own narrative.

In keeping with **Act No. 2946** passed by the Philippine Legislature, dated February 16, 1921, making November 30 of each year as a legal holiday to commemorate Andres Bonifacio's birth - all citizens of the Philippines are enjoined to observe this day with rites befitting the occasion. Hence, it is timely to collaborate in this kind of movement to impress upon the young people the necessity of nurturing their roots for this gives them identity, indelible and permanent.

We look forward to a positive confirmation as we work together to form our national character. As we believe that you cannot know who you are by not going back and retracing your steps.

Thank you,

Kind regards.
