DR. MAY B. ECLAR, CESO V
Officer-In-Charge
DEPED-CAR

Dear Dr. Eclar:

Greetings from the Cordillera Administrative Region!

On October 31, 2018, Baguio City was designated as part of the 64 cities from 44 countries joining the UNESCO Creative Cities Network. This singular achievement elevated the city into the ranks of the world's best in terms of its potentials in cultivating culture and creativity for sustainable urban development, as we are so far the first and only Philippine city to join the distinguished international network.

The city, in cooperation with the Department of Tourism CAR and other partners in the creative and arts community, will hold a creative and arts festival, entitled: "ENTAcool...2018 Baguio Creative Festival", slated on November 10-18, 2018. The festival aims to showcase to the country and the entire world the thriving creative sector of the city, and to provide venues for local creatives to further their crafts and creative endeavors.

One of the highlights of the festival will be the Baguio Creative Crawl scheduled on November 12-18, 2018. This will feature the creative spirit and character of the City through glimpses of creative spaces found in the city. This will be a great opportunity to learn and appreciate why Baguio is designated as a UNESCO Creative City. Also, this will introduce a new brand positioning for Baguio as a new Creative City destination.

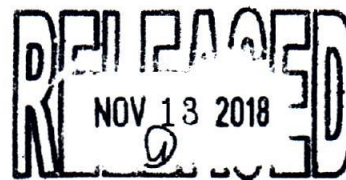

In line with this, we would like to request CHED-CAR's endorsement of the activity to the Higher Educational Institutions's (HEI's) in Baguio. Your Statement of support ultimately will translate into greater participation from tourism schools and universities.

Our Project Officer Adrian Fernandez will coordinate with you regarding this request. For further inquiries you may reach us at telephone numbers: (074) 442 8848; (074) 442 7014 or email us at dotregioncar@gmail.com.

We look forward to your kind assistance to this matter. Thank you and trusting that this will bring mutual benefits, I remain.

Your most sincerely,
