Re: Postponement of Aflatoun Seminar in Sagada

Dear Ma'am,

We would like to officially inform that NATCCO and Treasure Link Cooperative Society Laboratory Cooperative has decided to reschedule the seminar dated December 1-2, 2018. This activity was mutually organized and planned for the teachers' training about Aflatoun.

The rescheduling is due to the unavailability of teacher participants in the previously mentioned date. To ensure high-profile and mutually beneficial results, we believe both sides would gain from organizing such a remarkable event at an alternative time.

We will inform you if we have already set a final date for the said event.

We look forward to your future cooperation.

Cooperatively Yours,

ZENIALYN F. FALYAO

Laboratory Cooperative Overseer
