Dr. May B. Eclar
OIC-Regional Director
CAR, Department of Education

Dear Dr. Eclar:

Greetings in St. La Salle!

The Networked Learning PH Inc., an educational technology organization from De La Salle University, Manila, promotes education for all by providing reliable eLearning materials, safe and learner-friendly sites and open source education technology platforms for learning and teaching, all for free. In order to disseminate the information gathered and to contribute to the knowledge base and skills development of our teachers here in the Philippines, we will be organizing an **International Networked Learning Conference** with the theme, **"Igniting Holistic and Innovative Learning Through Technology"**, at the **Holy Child College of Davao, Philippines** on **May 1-5, 2019**. The conference-workshop-seminar aims:

- a. to train and equip teachers in using learner-centred and technology-aided pedagogies in line with the 21st century education;
- b. to motivate and guide learners to be responsible and ethical netizens;
- c. to complement the implementation of the Kto12 curriculum and the higher education new curriculum with the latest, state-of-the-art open-blended learning environment and innovative e-learning technologies;
- d. to propose creative solutions using the Internet leading to a roadmap towards Philippine ICT for Education and Development; and
- e. to provide an avenue for research presentation and intellectual discussions regarding best practices, trends, debates and issues on ICT for Education and Development.

Seminars on how to use online and e-Learning class will be held with the help of top tech instructors/trainers from different IT companies' ad learning institutions.

Networked Learning PH Inc.

In line with this, we would like to invite participants from your organization to attend the said conference. We highly encourage you to send administrators and teachers from different learning areas because one of the highlights of the conference is the teacher showcase/demo of their best technological practices in different subjects/learning areas. They may register online at <http://www.nlphi.org>.

Attached herewith is the program of the conference.

We hope for your positive response.

In St. La Salle,

Mr. Henry Leen A. Magahis, MA
Executive President
International Conference Director
