ESTHER Y. MELECIO, Ph.D.

Baguio City Schools Division – Education Supervisor I, SCIENCE
Baguio City, Benguet

Dear Ms. Melecio:

Greetings from the Science Clubbing Movement!

The Philippine Society of Youth Science Clubs (PSYSC) has prevailed for 48 years as the pre-eminent youth organization that serves the Philippine society. In the face of shifting global issues, PSYSC stands committed to its thrust: to promote the **Public Understanding of Science, Technology, and the Environment (PUSTE)**. PSYSC also conducts community development programs and youth empowering events to help every Filipino individual.

In line with our thrust of promoting the *Public Understanding of Science, Technology, and the Environment (PUSTE)* in the Philippine society, the **Regional Council from Cordillera Administrative Region** is going to conduct an **Affiliation Campaign** to reach out those non-affiliated science clubs in CAR. This is a half-day activity with plenary talks that discusses the benefits of science clubbing to its affiliates, community, and the nation hoping to encourage more science clubs to participate in the national science clubbing movement. The event will take place in a venue around the city on March 9, 2019. This letter aims to inform you about our said event as for the proper protocol.

In this regard, our organization is humbly requesting support from your good office to invite the actively participating schools in the city and help us in disseminating the information about the **Affiliation Campaign 2019**.

With that, we would also like to invite you to the said event to serve as the guest of honor and speaker to encourage the school science club advisers to affiliate with us.

If you have more questions, please do not hesitate to contact us through Patricia Choy with her number 0917 – 300 – 6051 or through psysc.car@gmail.com. Thank you in advance for your kindest help.

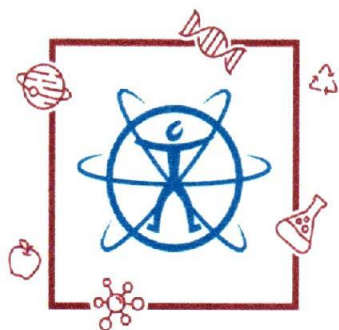

Together, let us keep the fire of science clubbing burning!

In service of the Filipino Youth,

PATRICIA NICOLE CHOY
Regional Council Chairperson
Cordillera Administrative Region

KENT ELMANN CADALIN
President
