Dear Sir Martin,

Greetings of empowerment!

This Learning Year, our theme is "Discovering the Philippines", thus, as part of our Learning Plan implementation, we will be taking our learners on a Community Tour. The objectives of the Community Tour are for the learners:

- 1) to gain first-hand knowledge of the Philippine Culture;
- 2) to appreciate the beauty of the Philippines; and
- 3) to behave appropriately in different social environments.

There will be 2 batches for the Community Tour. The first batch, the Tuesday and Wednesday learning groups, will have their tour on Saturday, March 9, 2019 and the second batch, the Thursday and Friday learning groups, will have their tour on Saturday, March 16, 2019. There will be no sessions in the learning hub on the said dates. Please be advised that there will be more or less 40 learners in each batch. And in line with our theme "Discovering the Philippines", we will be taking our learners to the following places:

- 1) Tam-awan Village
- 2) Museo Kordilyera

In line with this, we would like to seek for your approval to conduct the community tour. Rest assured, learners will only be allowed to join the tour if their parent (or guardian) submits a signed consent/waiver on or before March 2, 2019 and have confirmed that they will be accompanying them as well. Learners without an accompanying parent (or guardian) will not be allowed to join the tour.

We are greatly hoping for your favorable response on this request. Thank you very much.

Your passion motivator,
