Warmest greetings from NMS Cares!

NMS Cares is a non-stock, non-profit organisation for the Deaf with main operations in Baguio City. It is our vision to build a barrier-free society where Deaf children can enjoy a full life. To work towards our goal, we provide **FREE** programs and services to the Deaf that enhance their opportunities to receive education and become well-rounded persons. Some of our programs are Basic Literacy Education, Hearing Parents of Deaf Kids Support Program, and Support for the Education of the Exceptional Deaf.

NMS Cares, Inc. also provides programs and services to the Hearing members of the public who wish to learn more about Deafness, how to communicate with the Deaf and Deaf Culture. These programs and services include Deaf Awareness and Sensitivity Seminars and Workshops and Sign Language Trainings.

This May 3, 4, and 5 2019, we are organizing a series of seminars and workshops to enhance the knowledge of **parents, caregivers, educators, law enforcement officers, frontline services providers, students and the Deaf themselves**. With this, we would like to invite you, your colleagues, and your students to participate in these seminars and workshops. We encourage the attendance of the hearing in the seminars on the **Deaf Awareness and Sensitivity with Basic Sign Language**, on the **Role of Hearing People to Make Disaster and Risk Reduction More Deaf Friendly** and on **Building an Enabling Community**. Please view the speaker topic matrix below for more information.
