Association of Private School Science Teachers

Dear Ms. Caguioa:

Greetings!

In behalf of **Diwa Learning Systems Inc.** we are privileged to facilitate utility seminar for **Association of Private School Science Teachers** that will focus on "**Science Investigatory Project**". In line with this, I/we would like to seek approval from your good office to allow your science teachers, coordinators (GS/HS) and administrator to participate on the said seminar on **June 22, 2019 (Saturday) from 8:30am to 4:00pm** at **Our Lady Mt. Carmel Montessori, Camdas, Baguio City**, as our venue.

Thru this seminar, we can promote dedication to hard work and excellent teaching strategies for the teachers.

Handouts, lunch and snacks will be provided to the participants. Certificate of participation will be also given to all participants who will complete the seminar.

Thank you very much and hoping for your positive response on this seminar.

For your information & approval.

EDUARD CHRISTIAN R. PAPA finished his bachelor's degree in Chemistry for Teachers from the Philippine Normal University. He is currently pursuing his master's degree in Science Education (with specialization in Chemistry) at the same university. At present, he is a STEM faculty member of La Salle Green Hills, where he teaches General Chemistry and Earth Science subjects. He also served as a faculty member of the school's junior high school department, where he taught Chemistry and Physics subjects.

Aside from teaching, Mr. Papa actively conducts research studies and facilitates training seminars on science investigatory projects, technology integration, and innovations in teaching strategies. He has also judged numerous science investigatory project competitions, science fairs, and quiz bowl competitions, both at the local and national levels.

Mr. Papa is an active member of professional teaching organizations such as the Philippine Association of Chemistry Teachers (PACT) and the Philippine Association of Physics Instructors.
