TO OUR COLLEAGUES IN THE COUNSELING PROFESSION;

A blissful greeting from your IPCAP family!

The Integrated Professional Counselors Association of the Philippines (IPCAP), Inc. will hold its 2nd **National Mid-Year Convention Workshops** on **August 8-9, 2019** at **Bali Village Resort and Spa, Tagaytay City**.

Focused on the theme, *Upgrading Core Competencies through Research Development, Intervention Plan and Professional Wellness*, it aims to bring counselors and mental health practitioners across the country together for a 2-day learning cum training and further exhibit scholarly works and knowledge of well-cared professionals in the field. Specifically, it intends to provide delegates with a research-oriented environment, which they can use as an excellent tool in designing an innovative intervention program to address relevant issues and concerns faced by practitioners in this digital age. It is also deliberately concentrated on the well-being of practitioners – for it believes that the country needs well-functioning professionals inspired and fit to provide services to the Filipino people.
