Greetings!

Youth First Concern Philippines Inc., a non-profit, non-denominational, international youth organization aims to provide an avenue for physical, emotional, social and spiritual development for High school young people.

Campus life is the program of Youth First Concern Philippines Inc., catering to the specific needs of youth in the Secondary level. It is designed to assist them in becoming God - fearing, nation loving, family centered and socially responsible citizens by engaging them in exciting and challenging activities.

With this in mind, as we welcome school year 2019-2020 may we request your permission to conduct a Campus Life Club gathering high school young people in Baguio during the student's free time - after class, or whatever convenient time your office/schools recommend. Attached is the list of schools we are considering for the Campus Life program.

Thank you and we hope for a positive consideration in this matter.

Very Respectfully Yours,

**Mr. Kenneth Okden**  
Campus Life Director, YFCP
