Dr. MAY B. ECLAR
Regional Director – Deped CAR
Department of Education
Republic of the Philippines

Dear **Dr. Eclar**:

On behalf of the FIRA ROBOWORLD CUP Committee, we are pleased to invite your students and teachers to take part in the upcoming **FIRA ROBOWORLD CUP 2019** to be held on **August 11th to 16th 2019** in **Robot Land, Changwon, South Korea**.

FIRA stands for Federation of International RoboSports Association and is the oldest intelligent and open-platform robot sports competition which was founded in 1996. It focuses on three goals: (a) to provide challenging and motivating benchmark problems for state of the art research in intelligent robotics, (b) to give students with valuable skills and experiences that allow them to be productive and develop their careers in the new economy, and (c) to strengthen students' fundamentals on STEM topics (Science, Technology, Engineering, and Math).

Among the long line-up of FIRA World Cup games, the Philippine Robotics Team for FIRA is considering the FIRA Youth Games Line-up. Please refer to the table of links in the succeeding page.

There shall also be a minimal fee to be collected from the student participants to cover the local preparation, team jacket, 1 banquet dinner and contest registration fee totalling to \$300/participant and \$300/coach/observer. All other arrangements will be on the account of the participant/observer, i.e.. airfare, hotel, land transport and meals. For more details about the fees, inclusions and other details, please contact Data Science and Technology Corporation thru the contact information provided above.

We wish and pray for your affirmative response to our invitation. Our team is looking forward to your reply via telephone number 4115541 or via email at philippineroboticsteam@gmail.com .

Thank you and more power.
