Schools Division Superintendent
Department of Education – Baguio

Dear DR MARTIN:

Greetings for a Resilient Cordillera!

I would like to personally thank you and your personnel for your continuous support in preventing hazards and preparing our communities on the natural hazards in our city through your active role in teaching the students the importance of disaster preparedness in their own homes.

As per Executive Order No. 29 dated 28 June 2017 the Cordillera Administrative Region Disaster Risk Reduction and Management Council (CAR DRRMC), through the Office of Civil Defense-Cordillera (OCD-CAR), will be spearheading the observance of the National Disaster Resilience Month (NDRM) this July 2019 in Baguio City. Various activities will be implemented in order to increase public's awareness on disaster risk reduction and management and to promote the significance of disaster resilience in our region.

One of the activities planned for the NDRM is the DRRM Exhibit and Closing Program to be conducted at SM Baguio City.

In line with this, we would like to request your Office to invite 100 Senior High School students who will participate during the demonstration and exhibit at SM Atrium from 10:00 AM to 12:00 Noon on **July 24, 2019**. Personnel from BFP and DOH will provide lecture orientation on Fire Prevention and Basic Life Support.

Furthermore, we would like to seek assistance from your office to invite representatives from various Student Leaders and School Publications to participate during the closing program from 1:00-5:00. We have invited USEC RICARDO B JALAD, HON BENJAMIN B MAGALONG, HON FAUSTINO A OLOWAN as Guests of Honor and Speakers.

For information and questions, you may reach us at (074) 304-2256 / (074) 444-5298 and look for Mr. Cyr Bagayao or thru the email cited above.

Thank you for always supporting our DRRM and resilience initiatives in the Cordillera region.

We appreciate your favorable response on this matter.

Respectfully,

COMMO ALBERT A MOGOL AFP (RET)
Regional Director, OCD-CAR &
Chairperson
