Mr. Martin,

Good day! Nurturing the children today is our simple way of honing the world's future. This is what Grolier International, Inc. believes in. With that, we are requesting for your assistance to encourage each parent / guardian to support every child's brain inclination so they can grow as the best person that they can be.

We believe that children learn more if they are involved, hands-on & interested in the process of learning. Thus, we make learning fun and exciting!

In line with this, we'd like to conduct our program called:

### **GROLIER CARNIVAL FAIR**

This **FREE ACTIVITY** is designed to enhance children's multiple intelligences while they play!

- \*Experience our Creativity Corner
- \*Entertaining Magic Show, face painting, and balloon twisting
- \*Learn more at our interactive corner
- \*Get a chance to win exciting raffle prizes
- \*Enjoy fun cube and freebies
- \*Meet and Greet the Super Talkie Mascot

For the conduct of the said program, We are also requesting to use the **Baguio City National High School's Auditorium on the 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup> August** and do four time-slots each day to accommodate a number of participants:

**8am-10am, 10-12nn, 12-2pm and 2-4pm.**

We are also encouraging **the parents of Kinder-Grade 2 students to be with them** as we will also be doing activities for the parents simultaneously with the children's activities :

**In-home learning forum (1 on 1)**  
**Child Assessment Consultation (Multiple Intelligences)**

With your permission, we would also like to use this letter and request an endorsement to the private schools of Baguio City and invite them in this activity.

We are also giving out **FREE BOOK DONATION** to every school who participated in our event as a token of appreciation.

Thank you!
