Dear Sir,

Warm greetings!

The **Young Women Initiatives (YouWin)** is a young feminist organization that empowers young women towards creating its collective voice by providing venues and opportunities to enhance and gain political skills, to achieve leadership positions and to contribute to the broader women's movement for genuine economic and political justice and gender fair communities.

The Young Women Initiatives and **Commission on Human Rights Cordillera (CHR-CAR)** is a partner of these activities and initiatives as well.

The activities' objective are: to promote awareness and empower the men, women, and LGBTs of their rights in the universities, senior high, junior high, and other institutions on the issues women are facing today – local, national, and international; promote the **#WomensRightsAreHumanRights** campaign.

In this light, may we request for a memo for **junior and senior high** in the schools of Baguio City and your office permission for us to conduct some of the activities in the attached brochure. Once permitted, we will credit the activities and initiatives as partnerships of **YouWin, CHR CAR and DepEd Baguio's activity**.

The activity we would like to conduct is from **September to December 2019 and March 2020**. September being the Martial Law Month – for the students to be enlightened on the Martial Law before and Martial Law now. October as IP Month and IP Rights; November to

December as Anti-VAW month and International Human Rights Day; and March as Women's Month and International Women's Day.

We are open for a meeting for a detailed discussion, description and explanations of our activities and initiatives, and to answer your queries.

Thank you very much and have a pleasant day ahead. We hope for a positive response as we know that you are one with us in this advocacy.

Sincerely Yours,
