INSTRUCTIONS:

- |  |
|--|
| 1. Please fill out the form by filling in the box with the school, section, name, age and sex ONLY of the students. (alphabetically arranged)  |
| 2. Label the containers with the name and number assigned to the student. (Please refer to the filled-out attached form)   |
| 3. Collect freshly voided urine in the sample containers provided.   |
| 4. Instruct the students to collect a midstream urine sample only. Firstly, pass a small amount of urine into the toilet and then start collecting your urine into the container—do not touch the inside of the container. You do not have to fill the container to the brim, but at least fill it up until half of the container. |
| 5. Submit urine samples with the completed forms at the Baguio Health Services Office on or before 10:00 AM.   |

Dear Parent/Guardian:

The Department of Health - Center for Health Development - Cordillera Administrative Region, in collaboration with the Department of Education Cordillera Administrative Region, is set to conduct the Kidney Disease Screening through Urinalysis activity among Grade 6 learners of the public schools in Cordillera. This activity aims to provide early detection and intervention to kidney diseases where End-Stage Renal Disease (ESRD) is the most dreaded outcome since it would require either lifetime dialysis or kidney transplant.

This Notification is being issued to inform you of the activity that will be conducted this August to September 2019.

Thank you.

Very truly yours,
