Regional Memorandum
No. 286.2019

STARBOOKS Recipient Schools in CAR

**To: Schools Division superintendents
All Divisions**

1. Through DepEd and DOST partnership in a project entitled Support to Science and Technology Education in CAR, various schools received the Science and Technology Academic and Research-Based Openly Operated Kiosk Station (STARBOOKS) digital library.
2. STARBOOKS is the first Philippine digital science library which provides access to key information that is physically available at the STI-DOST, the DOST Science and Information network (Sci-NET), the Philippine e-lib project sources, freely-available online resources, and subscribed databases. It is a standalone kiosk containing hundreds of thousands of S&T Information Resources in various formats placed in a specially designed pod, hence, information access is available even without internet connection.
3. STARBOOKS recipient schools may share the technology with other schools nearby. List of STARBOOKS recipient schools are attached for easy reference.
4. The Department of Science and Technology (DOST) are willing to install the software (without kiosk) of the STARBOOKS digital library for school use to non recipient schools.
5. Interested non recipient schools may request the DOST for the software. Coordinate with your education program supervisor in science for the submission of the request.
6. Immediate dissemination of this Memorandum is desired.

To: All School Administrators, Principals & Teachers In-Charge
(Elementary & Secondary)
FOR YOUR INFORMATION & APPROPRIATE ACTION
