

October 24, 2019

MS. MARIE CAROLYN B. VERANO, CESO VI

School Division Superintendent, Department of Education – Baguio Division
#82 Military Cut-Off Road, Baguio City

Dear Ms. Verano:

Hopeful salutations from Noble Trends Unbound Foundation, Inc.!

Although societal problems continue to plague our communities, we believe there is always hope. Hence, as we do yearly, we organize our Annual Fun Run with the cause of taking an active role in the national and global solution to **ending hunger**.

We've been doing this event for the past five (5) years, with the previous 3-year proceeds benefiting the whole Grades I-VI population of Happy Hallow Elementary School and Grade I population of Springhills Elementary School through our **hunger-mitigation program**, the NTUF Hope Kitchen. This year, the Hope Kitchen started to cater to a selected 200 students from Doña Aurora H. Bueno Elementary School and expanded to Irisan Elementary School with 361 students.

Our Hope Kitchen Program does not solely focus on feeding the children's stomachs but also their minds, bodies, and souls by providing academic enhancement trainings, sports trainings, multi-art workshops and values formation programs.

Optimistically, we aim to increase the number of our beneficiaries by expanding our kitchen operations not only to the whole population of our adopted school but to other underprivileged schools as well.

In this regard, we would like to invite your organization to take part in the ambitious movement to address the problem of hunger in our city by joining us in our 6th Heroes Run on the 10th of November, 2019 at Lake Drive, Burnham Park from 4 AM to 9 AM.

For more information, please contact the undersigned through her mobile phone at 0929-663-7925 (Smart) and/or through email at foundation@ntu-nobletrends.com.

We look forward to hearing from you.

Thank you!

Sincerely,

Joanne P. Ap-apid
