Ma'am:

In celebration of the National Rice Awareness Month (NRAM) this November 2019 with the theme, **"Buy local. Eat local. Support our rice farmers,"** The Department of Agriculture-Cordillera Administrative Region (DA-CAR) is preparing a series of activities to support the NRAM advocacy campaign.

The objective of this year's NRAM is to impart the importance of eating safe and nutritious rice to consumers and instill the value of patriotism in supporting local rice farmers. It focuses on how farmers, consumers, and policy-makers support the consumption of locally-produced rice amidst the influx of cheap, imported rice to keep local producers steadfast in the agricultural market.

In addition to this, we will be conducting a Fun Run on November 29, 2019, at the Athletic Bowl, Baguio City from 5:00 AM to 9:00 AM. We are inviting your office to join us celebrate NRAM through the said activity. Our agency will be allotting 10-15 slots for your agency/institution.

Attached herewith are the activity guidelines for your perusal.

For your queries and concerns, please contact Herman B. Danis of the Regional Agriculture and Fisheries Information Section (RAFIS) at (074) 422- 5795 and 09076131522 or rafid.dacare@gmail.com.

We believe that this activity will support our common cause to aid in the advancement of local farmers towards a prosperous agriculture industry in the country.

Very truly yours,
