S & T QUIZ Mechanics
November 21, 2019

Description

In line with the celebration of the Regional Science and Technology Week in Bontoc, Mountain Province, this contest is an integrated mathematics, science and technology quiz for Elementary (Grades 4-6) and Junior High School (Grades 7-10) students in the Cordillera Administrative Region. The quiz will be conducted on November 21, 2019 (morning for the Elementary Category and afternoon for the Junior High School Category) at Bontoc, Mountain Province.

Conditions

1. Only the **28 schools (4 schools per province and Baguio identified by Dep-Ed Regional Office)** per category to successfully submit their filled-up registration form on or before the deadline will be accommodated.
2. Only one (1) team, composed of two (2) members, shall represent a school. It is the prerogative of the school to choose the grade/year level of the students to compose their team as long as the maximum number of two (2) members is completed.
3. To participate, the coach must fill-up the registration form and submit on or before **October 18, 2019** to **DOST-CAR Regional Office, BSU Compound, Km. 6, La Trinidad, Benguet** or fax at **(074) 422-2214** or e-mail to **rstlcar@gmail.com**. The organizers will inform the coach via text/call once the registration has been confirmed.
4. Walk-in participants are strictly not allowed.
5. For changes in the name of the participant(s), the coach must inform the organizers ahead of the activity.
6. Confirmed participants shall wear their school uniform and identification card and are advised to be in the venue at least 15 minutes before the program starts.
7. **Registration is free but the food, accommodation and travelling expenses shall be borne by the school.** For accommodation concerns and other clarifications, the school may seek assistance of the organizers through:

Ms. Aubrey Rose A. Gabriel

0908-233-8955 or 0966-469-2205

Rules and Mechanics

1. The organizers will provide all the necessary quiz paraphernalia. Each team will be given flashcards (labeled A, B, C, and D), pencil and bond papers to be used in solving.
2. There will be three (3) rounds per category composed of ten (10) questions each round. For every correct answer, the following are the equivalent points:
Easy round – 1 point
Average round – 2 points

- Difficult round – 3 points
3. Each question will be flashed on the screen and read by the quizmaster twice. The quizmaster will signal the start of the timer.
 4. Competing teams shall be allotted 10 seconds for objective type of questions and 60 seconds for problem-solving type of questions.
 5. At the end of the allotted time, the quizmaster announces “stop.”
 6. The quizmaster will ask the team leader to raise the answer board and team number facing front.
 7. The teams with incorrect answers will lower their answer board while the teams with correct answers have to keep their boards raised until the quizmaster has finished announcing the numbers of the teams with correct answers.
 8. The team which garners the highest points shall win the quiz. If a tie prevails, tie breaking questions will be posted. The team that gets the first correct answer shall win.
 9. Coaching from the audience will not be allowed during the quiz proper.
