Dear Ma'am,

Warm greetings of joy in the Name of the Almighty Father!

The Baguio-Benguet Pastors in partnership with Global Ventures an American NGO and AGAPE World Missions are pleased to inform you and provide a great opportunity to some selected schools by hosting an international drama performance from a team of professionals and students coming from America and Canada whose aim is to share positive values among the children and the young people. The team understand the widespread mental health disorders is very alarming. As a response to this disturbing phenomenon, the team would like to share insights that will be valuable to the students in learning how to cope and address this issues while having an interactive cultural exchange. This presentation will be given free and it may take an hour. Teams, including a clown, will share their insights through short plays and conversation.

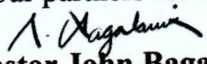

GV (Global Venture) has helped schools in countries all over the world with their program and have been warmly received and invited back. The group targets to visit over 30 schools in Baguio if possible.

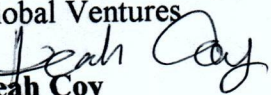

During the presentation, the team will invite your students on Dec 5 and 6, 2019 from 5:00pm to 8:00pm at the Melvin Jones for a three hour (3 hrs.) "Family Festival Program" of entertainment and raffle drawings of great prizes before giving the Message about "The Father's Love". Great Prizes like iPod, washing machine, refrigerator, and many more. The team will be giving out one ticket each student as a pass for the Festival and serves as the raffle tickets.

Each school who will accept will also receive the free water filter and a free presentation of GV Team International Drama Performance. **In this regard we would like to ask for your re- endorsement to the School Principals for the team to be able to offer selected schools in the city to conduct this program. We previously sent a letter of endorsement to your predecessor.**
