Dear Ma'am Verano,

Greetings of solidarity!

Last September 28, 2019, the the 7th Baguio Students Day Celebration kicked-off through the Baguio Youth Parliament held at the CAP Building, Baguio City duly endorsed by the Department of Education Division of Baguio. Attended by at least 100 students representing various schools and organizations, the Youth Parliament was able to tackle pressing issues and concerns of the Baguio youth and students. As an output, the Youth Parliament was able to successfully craft the 2019 Baguio Youth and Students Legislative Agenda (BYSLA), carrying policy and program recommendations for our local government, legislators and line agencies.

Moreover, plans of actions were carried out including the conduct of various skills trainings and discussion on leadership among our student-leaders. In this light, NUSP Baguio-Benguet is set to launch the Palihan 2019, a leadership training seminar for high school student-leaders in Baguio City.

In line with this, we humbly ask for the endorsement of your good office for the upcoming Palihan 2019 on November 22, 2019 (Friday) from 8am to 5pm at the IP Center, 3rd flr, CEPMO Building, Baguio City. A minimal registration fee of Php50/participant will be charged for the meals and snacks.

The activity aims to primarily empower and hone effective young student-leaders of today. The endorsement from DepEd and assistance in the information dissemination and invitation is undoubtedly necessary and is of great help in making the event a success – for the maximum participation of schools.

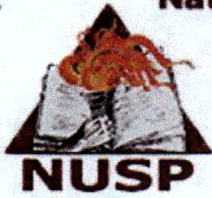

For reference, attached herewith is your office's endorsement to this year's BSD, photos of the BSD 2019 and the concept paper for Palihan 2019. For inquiries contact, 0917-158-6448 / (074) 244-7350. Thank you and we hope for your positive response!

Sincerely,

PALIHAN 2 0 1 9

The National Union of Students of the Philippines (NUSP)

is the broadest and widest alliance of student councils and leading student organizations in the country. It has over 650 member student councils all over the islands and scattered regional and local chapters.

We aim to develop patriotic, democratic, and progressive student leaders. It seeks to unite all students in the country through their mandated representative student councils, governments, and unions towards a nationalist, scientific, and mass-oriented system of education. The Union has produced student leaders like Sen. Francis "Kiko" Pangilinan, Sen. Miriam Defensor Santiago, Sen. Erin Tañada, Edgar Jopson, former and current Kabataan Partylist Congress Representatives Raymond Palatino and Sarah Jane Elago, and former Baguio City Councilor Hon. Leandro B. Yangot.

PALIHAN 2019

Palihan comes from the literal Filipino translation for "anvil," an iron block on which heated metal is shaped by hitting it

with a hammer. *Palihan* has taken a new definition, now "a collective workshop and/or training" intended to hone one's skills and capabilities.

Palihan 2019 is part of NUSP's **Edgar Jopson Education and Training Center** comprising various discussions on skills training and social issues. Following the example of the young martyr, Edgar Jopson.

Expected outputs of this activity are student leaders trained to respond to the twists and turns of the objective situations inside and outside the campus. This will hone their abilities towards a more critical, analytical, and competent student council/government.

WORKSHOPS

A crucial part of being a student leader is the development of technical and management skills. Palihan 2019, as a holistic leadership training event, employs workshops on the following fields: on Leadership and Service, Table Battles and Negotiation, and Alliance Work.

BAGUIO YOUTH PARLIAMENT

Empowering the youth for leadership and participatory governance

Dear Dr. Martin,

Greetings of solidarity!

As the leading education hub in Northern Luzon, Baguio City has a vast student population from different provinces in Cordillera. In higher education alone, the college students of Baguio are around 60% of the student population in the region. With this, the Cordilleran Youth Center, along with other youth organizations - through then-Councilor Atty. Peter Fianza - lobbied and pass into legislation the City Ordinance No. 42, s. 2013 declaring every 2nd Sunday of September as Baguio Students' Day.

As we open another year with a new set of local government officials, we wish to highlight the youth's role in nation-building and participatory governance for the 7th Baguio Students Day Celebration.

The 2019 BSD Celebration aims to convene student and youth leaders, and to engage them in dialogues with our City officials and other appropriate government agencies. Policy reforms and recommendations will be crafted through the Baguio Youth Parliament, then forwarded through a round-table discussion with our newly-elected Baguio officials.

In line with this, we humbly ask for your good office to endorse the 7th Baguio Students' Day with the following line up of activities:

1. Baguio Youth Parliament on September 28, 2019; 9am-5pm; CAP Building Auditorium, Post Office Loop, Baguio City
2. Round-table discussion with Baguio officials on October 5, 2019; 1pm-5pm; IP Center (CEPMO bldg 2nd floor, in front of Baguio Children's Park)

Your endorsement for the past Baguio Students' Day contributed a lot to the success of BSD. Your assistance in inviting Baguio Secondary Schools for a wide-reaching and maximum participation of students, organizations and members of the academe is indeed of great help.

For reference, attached herewith is your office's endorsement to last year's BSD, and this year's concept paper. For inquiries contact, 0917-158-6448 / (074) 244-7350. Thank you and we hope for your positive response!
