November 5, 2019

Dear Sir/Madam:

Greetings!

We are the **Philippine Association of Chemistry Students, Incorporated (PACS, Inc.)**, a national student organization of self-directing and conscientious Filipino Chemistry students committed to upholding excellence in the study of and application of Chemistry.

In line with this, we will be holding the **Junior Chemistry Congress 2019** on the **23rd of November 2019** at **Adamson University, Manila City**. This event aims to promote Chemistry and other related fields (e.g. Biochemistry, Chemical Engineering and Food Technology) as a college degree program for high school students and to introduce career opportunities that lie ahead.

In order to achieve these objectives, we humbly ask for your help in promoting our event to different high schools within your jurisdiction. May we also ask for any information you may have that can help us in reaching out to them personally.

Good day!

We are the Philippine Association of Chemistry Students, Inc. This coming 23rd of November, 2019, we will be holding the Junior Chemistry Congress (JCC 2019) in partnership with ~~Adamson University Chemistry Society and Adamson University Chemistry Department~~. JCC 2019 entails to junior and senior high school students who are interested in the field of chemistry.

Attached in this email are the event-mechanics and our letter of request for you to endorse our event and invite schools in your region to take part in our event.

We are hoping for your favorable response regarding this matter. Should you have any questions or concerns, please do not hesitate to contact us by replying to this email.

Thank you very much.

Sincerely,

Ley-ann Rose F. Bayuca
