 Baguio City

Dear MADAM:

Greetings!

For the past 15 years, the Bonjing Project of the Health Services Office has been assisting high school students or young adults in addressing their sexual and reproductive health issues and concerns. It was a Website Project but shifted to Bonjing@FB. For the past years, Bonjing has reached out to young adults to assure them that Bonjing truly exist in times of need.

Your prestigious organization has supported Bonjing in its vision to produce mature and responsible young adults. Over the years, the Bonjing Team has reached out through different activities such as the e-Congress, e-Camp and e-Walk. We would like to continually connect with your high school students primarily Grades 9 and 10 and Senior High. Now that we have Adolescent-friendly health facilities in the city, we just have to get more young adults to seek consultations regarding their sexual and reproductive health concerns. The Bonjing e-school has the theme "Bonjing goes to School"

In this connection, the Bonjing Team would like to continue its outreach to the following high schools for Grades 9 and 10 and with respective dates:

- 1. Baguio City National High School - Nov. 28 AM and PM
- 2. Irian National high School - Nov. 29, 8:00-12:00 Noon
- 3. Lucnab National High School - Nov. 29, 1:00-5:00 PM
- 4. Joaquin Smith National High School - Dec. 2, 8:00-12:00 Noon
- 5. Happy Hallow National High School - Dec. 2, 1:00-5:00 PM
- 6. Hillside National High School - Dec. 3, 8:00-12:00 Noon
- 7. Fort Del Pilar National High School - Dec. 3, 1:00-5:00 PM

The Population Workers who are part of the Bonjing team will personally communicate with their respective schools for further details.

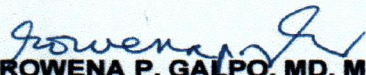

We would like to thank you for your continuous support to Bonjing. Rest assured that Bonjing will stay for service to the children.

More power.

Very truly yours,

CELIA FLOR C BRILLANTES, MD, MPH, PHSAE, FPSVI
