Dear Madam,

Greetings in the name of humanity!

For over 72 years, the Philippine Red Cross (PRC) has made a mark in the entire world because of its programs that are designed to address humanitarian challenges, such as disasters, health crisis, and armed conflicts.

PRC has become a model National Society when it comes to supporting communities affected by disasters and emergencies—from risk reduction to relief and recovery. We earned the respect of the international community because we are able to efficiently deliver humanitarian services out of the contributions and donations received from partners from public and private industries. We have a high functioning National Society, but need to raise funds to have enough resources to support the needs of the people.

It is time for Filipinos to support their own Red Cross.

The Philippine Red Cross is organizing the Million Volunteer Run 5, a fundraising initiative that aims to sustain our operations. This will be held simultaneously in Luzon, Visayas, and Mindanao on December 8. In line with this, we are asking you to help us continue our operations by enlisting your family, friends or employees to be part of the Million Volunteer Run 5.

We would be glad to discuss further details about this. Should you have any queries, you or your team may contact **Mrs. Anastacia B. Tamayo** through this number (074) 665-7165. Together, let us run for humanity. Run with PRC.

Sincerely,

ERDOLFO V. BALAJADIA
