Request for Advisory

UP Biochemistry Society Externals Committee <externals.upbcs@gmail.com>
To: car@deped.gov.ph

Greetings!

On February 1-7, 2019 will be UP Manila's celebration of the Biochemistry Week. As part of our event, we invite high school students and teachers to our annual La Chimie, a quiz bee competition. This event is in line with our goal of promoting Science and Technology as well as providing an avenue for discourse with regards to relevant themes in society.

With that said, may we request your office to please help us in spreading word about the event to your region? Attached, herewith, is our letter of request with the list of activities we will be holding throughout the week.

We are hoping for your positive response regarding this matter. Should you have any questions, please feel free to contact us.

Thank you and God Bless!

Yours truly,

GERI ANN APILADO
Vice President for Externals, UP Biochemistry Society

SUBJECT : Invitation of the Philippine Association of Food Technologists -
 Alpha Chapter (PAFT-a)

DATE : November 21, 2019

The Philippine Association of Food Technologists - Alpha Chapter (PAFT-a), a recognized academic organization of the University of the Philippines, Diliman has been promoting technological awareness, academic and civic-oriented project in the field of Food Science and Technology since its formation in 1967.

In February 2020, the association will be celebrating a month-long celebration of its 54th anniversary. Part of its celebration is PAFT-Alpha's Junior Food Quiz Bowl (JFQB) and Laboratory Tour which will be held on **February 17, 2020 from 8:00AM to 4:00PM at the University of the Philippines, Diliman.**

JFQB is a quiz bee for students in tenth (10th) and eleventh (11th) grade level about Food Science and its related fields, e.g. Chemistry, Microbiology, Biology, Physics and Mathematics. The Laboratory Tour is a tour on the different laboratories, such as the Pilot Food Plant, Food Microbiology Laboratory, and Quality Control Laboratory, which are used by Food Technology students.

For more details and further information, please contact **Ms. Nicole Castillo**, JFQB Project Head at 0977 383 2326 or through email address at info.jfq@gmail.com

Attention is invited that all participants shall be subject to the non-disruption-of-classes policy as stipulated in to DepEd Order No. 9, s. 2005 entitled: *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.*

Dr. Leonor Magtolis Briones
Secretary, Department of Education
Department of Education Building, Deped Meralco Avenue, Pasig City

Dear Dr. Briones:

Greetings from PAFT- α !

The **Philippine Association of Food Technologists - Alpha Chapter (PAFT- α)** is a duly-recognized academic organization of the University of the Philippines, Diliman. Since its formation in 1965, PAFT - Alpha has been promoting technological awareness, academic and social balance through academic and civic-oriented projects in the field of Food Science and Technology.

February 2020 marks the beginning of our 54th anniversary month-long celebration, with its events committed to promoting progress and the role of Food Technology as a socially relevant discipline in building a better and more sustainable Filipino community. Part of this celebration is PAFT-Alpha's **Junior Food Quiz Bowl (JFQB) and Laboratory Tour**. On its 10th year, the JQFB is a quiz bee for students in the tenth (10th) and eleventh (11th) grade level about Food Science and its related fields, e.g. Chemistry, Microbiology, Biology, Physics and Mathematics. The Laboratory Tour is a tour on the different laboratories, such as the Pilot Food Plant, Food Microbiology Laboratory, and Quality Control Laboratory, which are used by Food Technology students. This will be held on **February 17, 2020 from 8AM to 4PM at the University of the Philippines Diliman, Quezon City.**

In view line with this, we would like to request for the **official endorsement** of the Department of Education, the Office's assistance and support in disseminating this information and in **inviting secondary schools within Luzon**. Along with this document are the letter of invitation for schools and a primer pertaining to the details of the said event.

Should you have any concerns, feel free to contact **Theresa Rigor** at 0919 406 1503, **Joey Battad** at 0917 563 368 or you may e-mail us at info.jfqbg@gmail.com. We are looking forward for your favorable response. Thank you very much.

Respectfully yours,

To whom it may concern:

Greetings from PAFT- α !

The **Philippine Association of Food Technologists - Alpha Chapter (PAFT- α)** is a duly-recognized academic organization of the University of the Philippines, Diliman. Since its formation in 1965, PAFT - Alpha has been promoting technological awareness, academic and social balance through academic and civic-oriented projects in the field of Food Science and Technology.

February 2020 marks the beginning of our 54th anniversary month-long celebration, with its events committed to promoting progress and the role of Food Technology as a socially relevant discipline in building a better and more sustainable Filipino community. Part of this celebration is PAFT-Alpha's **Junior Food Quiz Bowl (JFQB) and Laboratory Tour**.

On its 10th year, the **JFQB** is a quiz bee for students in the tenth (10th) and eleventh (11th) grade level about Food Science and its related fields, e.g. Chemistry, Microbiology, Biology, Physics and Mathematics. The **Laboratory Tour** is a tour on the different laboratories, such as the Pilot Food Plant, Food Microbiology Laboratory, and Quality Control Laboratory, which are used by Food Technology students. This will be held on **February 17, 2020 from 8AM to 4PM** at the **University of the Philippines Diliman, Quezon City**.

In view line with this, we would like to invite **secondary schools within Luzon** to participate in our event **by sending one to two (1-2) team/s of three (3) members and one to two (1-2) faculty adviser/s** for the JFQB.

Should you have any concerns, feel free to contact **Nicole Castillo**, JFQB Project Head at **0977 383 2326** or you may e-mail us at info.jfqb@gmail.com.

Along with this letter are the programs and the rules and guidelines of the Junior Food Quiz Bowl. Please register in the respective link indicated on the rules and guidelines. Snacks would be provided for each participant. The winning team will receive medals and a cash prize. We are looking forward for your favorable response. Thank you very much.

10th Junior Food Quiz Bowl (JFQB) Rules and Guidelines

1. Eligibility Guidelines

- Participants must be bona fide students from the tenth (10th) grade and eleventh (11th) grade levels of the school they are representing.
- Only the schools that have registered and confirmed their team entries (within the deadline) are considered eligible for the quiz bee.

2. Requirements

- Register through this link: bit.ly/JFQB2020. A confirmation email will be sent within 48 hours of registration.
- Deadline of confirmation: January 31, 2020
- No registration fee will be collected.

3. General Rules

- Only two (2) teams per school are allowed to register.
- A team shall be comprised of three (3) students and one (1) reserve from the tenth (10th) grade and eleventh (11th) grade levels.
- Each question may or may not have choices. The time limit will depend on the level of difficulty and will be mentioned after the question has been read.
- For problem solving questions, answers shall be expressed in lowest terms and shall have the correct unit(s) unless specified by the quiz master. Legitimate abbreviations for units are accepted.
- Questions and clarifications should be made right after the answer to the question is announced. Otherwise, these shall not be entertained.
- Two (2) to three (3) judges will be present during the contest. Their decision regarding the clarifications and concerns raised during the contest will be final.
- Students must strictly follow the rules. Failure to do so may result in penalties. A team with a total of three (3) penalties is considered disqualified. Penalties can be received through the following:
 - Usage of any unofficial materials. Materials to be used (e.g. board, marker/chalk, calculator, paper, pen, etc.) will be provided by the organizers. Any unofficial materials to be used by the participants will be confiscated and will cause the team a penalty.

- ii. *Answering or solving without the quiz master's signal.* No team shall write any answer or start solving until the quiz master says so, otherwise, the team will receive a penalty.
- iii. *Failure to raise the board after the time limit.* Boards containing the answer of the teams must be raised after the given time limit. Failure to raise the board after two (2) to three (3) seconds will also result in a penalty.
- h. Honesty is the best policy. Any form or act of cheating will automatically result in the team's disqualification.

4. Mechanics

Elimination Round

- a. The Elimination Round will be divided into three (3) levels: Easy, Average, and Difficult.
- b. The Easy, Average, and Difficult levels will consist of fifteen (15), ten (10), and seven (7) questions, respectively, dealing with the following areas: Mathematics, Biology, Chemistry, Physics, and Food Science, specifically, Food Chemistry, Food Physics, Food Microbiology, Food Processing, Food Packaging, Food Laws, Sensory Evaluation of Foods and Environmental Sustainability in the Food Supply Chain. The questions will be answered as a team.
- c. The use of calculator shall only be allowed in Physics and Chemistry problem solving questions. Math problems shall be solved manually in a provided sheet of paper.
- d. The pointing system for the Elimination Round is as follows:

Easy Level	1 point
Average Level	3 points
Difficult Level	5 points
- e. The top 5 teams after the Elimination Round will qualify for the Final Round.
- f. In case of a tie, five (5) clincher questions shall be asked to determine the qualifier. The first team to answer three (3) questions correctly will proceed to the Final Round.

Final Round

- a. The Final Round will be comprised of ten (10) questions divided into the following categories: Food Chemistry, Food Physics, Food Microbiology, Food Processing, Food Packaging, Food Laws, Sensory Evaluation of Foods and Environmental Sustainability in the Food Supply Chain. Each question will merit *five (5)* points.
- a. For the Final Round, the questions will be answered individually by a representative from each team. The team representatives will be chosen by each team after the announcement of the category.
- b. The team who will obtain the highest score at the end of the round will be declared the 10th Junior Food Quiz Bowl Champion.
- c. In case of a tie, five (5) clincher questions shall be asked. The first team to answer three (3) questions correctly will be the winner.

Prizes and Awards

Certificates, medals, and cash prizes will be awarded to the winners of the competition

Place	Prizes
1 st	3000 Php per team
2 nd	2000 Php per team
3 rd	1000 Php per team

Laboratory Tour

The participants will be divided into groups for the tour of the different laboratories in the College of Home Economics such as the Food Innovation Facility (FIF), Pilot Food Plant (PFP), Quality Control (QC) Laboratory, Food Chemistry Laboratory, and Food Microbiology Laboratory.
