Dear Madam:

Warm greetings!

The King's College of the Philippines will be conducting a career guidance to the different Senior High Schools in the City of Pines. The objectives of the said activity are as follows:

1. to develop a tentative educational plan relevant to their individual interests, abilities, aptitudes and goals;
2. to fully engage students in career planning;
3. to provide students with a comprehensive understanding of opportunities at key transition points and translate these effectively into appropriate decisions and actions; and
4. for students to understand and develop the skills that are required to be successful in their future pathway.

In line with this, may we ask permission from your good office to endorse King's College of the Philippines representatives for a 30 minute career talk / pathing to all Dep Ed Senior High Schools under your leadership? The school policy and guidelines for such understanding will be strictly observed and followed.
