The Superintendent
School Division Office
Department of Education
Baguio City

Dear Sir/Ma'am,

At first, please allow me to introduce to you my company, the MGE Advance Computing Solutions (MGEACS). It provides consultancy services on IT and computer, network infrastructure design and implementation, and systems integration. Also, it conducts training and workshops on cyber security, public key infrastructure, penetration testing, robotics and automation.

The MGEACS based in Pampanga in collaboration with the Hackspace-Makerspace and Café, and the Zaxxun Recreation Stop both in Baguio City, and with our international partner Robots Got Talents, will conduct the **2nd Baguio City Robotics Cup Open on April 26, 2020 (Sunday)** at St. Vincent Gym, Naguillian Road, Campo Filipino, Baguio City. This science and technology educational non-profit event primarily aims to challenge teams of students to design, build and program robots to compete in Elementary, Junior and High School and College divisions. Target participants are from elementary to college students in Baguio City.

The theme for this year is "Connected Cities", and below are the categories for the competition:

- **Robot Exhibition Parade** (2 members per team) Elementary
- **Kennon Road Challenge** (2 members per team) Elementary to High School
- **Robotics Innovation** (3 members per team) Junior and Senior High School
- **Line Following** (2 members per team) High School to College
- **Sumobot 1kg** (2 members per team) High School to College
- **ArduinOlympics** (individual) College

As part of our preparatory activities for the competition, is the conduct of **Basic Robotics and Coding Workshop** for the Teachers in Baguio City, to be held on **February 20, 2020, Thursday, (8:00 AM to 12:00 NN - 1st Batch; 1:00 to 5:00 PM - 2nd Batch)** at Baguio-Benguet Community Credit Cooperative, 56 Cooperative St., Assumption Road, Baguio City. This workshop will introduce them to the world of robotics engineering, electronics and programming. The fundamental knowledge and hands-on experience they gain will help them assist their prospective student-participants with the development of methods and strategies for achieving high performance.

In view of the above, may we request the support of your office by way of extending this information to schools under your division. A minimal fee of P200.00 will be charged to every participant, inclusive of the Certificate of Completion. Slot will be first come, first served basis.

Thank you very much for your indispensable support.

Sincerely yours,

CYRUS D BERMEJO
Manager

To: All School Administrators, Principals & Teachers in-Charge
(Elementary & Secondary)
FOR YOUR INFORMATION & APPROPRIATE ACTION
