Sir/Mesdames!

Here's more advocacy materials you can give your schools.

Thank you and God bless!

(Elementary & Secondary)
FOR YOUR INFORMATION & APPROPRIATE ACTION

MARIE CAROLYN B. VERANO, CESO VI
Schools Division Superintendent

MEASURES FOR THE PREVENTION AND CONTROL OF THE 2019-NCOV ARD IN BASIC EDUCATION SCHOOLS AND OFFICES

1 Travel limitations and restrictions

BANNED

All travels to the People's Republic of China and its special administrative regions

REVOKED

Approved official travels for February to countries with confirmed cases

2 Conduct of national, regional, division, and school activities for the month of February 2020

SUSPENDED

All national and regional activities

HIGHLY DISCOURAGED

All division and district activities

SUSPENDED

All off-campus activities

3 Public information and awareness campaigns

Classroom discussions shall focus on the promotion of precautionary and safety measures

Visit www.deped.gov.ph/stopncov for official collaterals

4 Close monitoring of the health status of personnel and learners

Refer personnel and learners with symptoms of respiratory infection using existing referral system as indicated in the School Health and Nutrition Manual

5 Monitoring and reporting of the general situation and cases

WEEKLY HEALTH SITUATION

for submission of SDO to the BLSS-SHD, DRRMS, their respective DepEd Regional Offices and local Chief Executive, and the local health unit

PROTEKTAHAN ANG SARILI MULA SA CORONAVIRUS!

KAILAN DAPAT MAGSUOT NG MASK?

- ✓ Kapag may ubo't sipon, hirap sa paghinga, at iba pang respiratory symptoms
- ✓ Kapag may inaalagaang pasyente na may ubo't sipon at iba pang respiratory symptoms
- ✓ Kapag nagpapagaling mula sa sakit

Maaaring hindi magsuot ng face mask sa publiko kapag walang ubo't sipon o respiratory symptoms

PAANO ISUOT ANG SURGICAL MASK?

Takpan ang ilong, bibig, at baba

Pisilin ang metal na bahagi upang lumapat ang mask sa ilong

TANDAAN

Puting bahagi ang nakalapat sa mukha

Sa strap lamang humawak kung huhubarin ang mask

Ang paggamit ng face mask ay isa lamang sa maraming paraan upang protektahan ang sarili sa coronavirus. Mahalaga pa rin ang tamang **paghuhugas ng kamay!**

PAANO ITATAPON ANG MASK PAGKAGAMIT?

- ✓ Marahan na tanggalin ang mask
- ✓ Gupitin upang hindi magamit muli
- ✓ Hugasan agad ang kamay. Magsuot lamang ng bagong mask matapos maghugas
- ✓ Ilagay sa plastic na may label at isara nang maigi. Maaari ring maglagay ng trash bin na may takip para sa mga mask upang mabawasan ang plastic waste

PARA SA KARAGDAGANG IMPORMASYON, MAAARING TAWAGAN ANG MGA SUMUSUNOD:

Department of Health: 8711-1001 to 1002

DepEd Public Assistance and Action Center: 8636-1663 / 8633-1942
