

Greetings!

You are cordially invited to the upcoming **EdTech Summit** on **March 14, 2020 from 9 AM to 5 PM** at the **University of the Cordilleras Auditorium, Gov. Pack Road, Baguio City**.

EdTech Summit is a free event that aims to help promote innovation and creativity in the process, delivery, methodologies, and management designs used by schools. It will feature valuable talks by speakers from EdTech enablers in the Philippines. The summit is expected to attract school owners, administrators, and teachers across Northern Luzon. The theme for this year's summit is **"Ushering School 4.0: Preparing schools for the Fourth Industrial Revolution"**.

This event is expected to be CPD-accredited seminar by the PRC organized by **IOL Inc.**, in partnership with the **University of the Cordilleras Innovation and Nurturing Space** and **1Punch Inc.**

You may visit <https://iol.ph/ets/> for registration details and more information about the Summit.

For queries and concerns, please contact us via landline at (074) 309 6504, via mobile at 0949 102 8622 or 0926 749 3873, or via email at iolincph@gmail.com.

Thank you!

Respectfully yours,

EDTECH SUMMIT

1.0 PROGRAM DETAILS

- **Date / Duration:** March 14, 2020 (8:30am – 5:00pm)
- **Venue:** University of the Cordilleras Auditorium, Baguio City
- **Target Participants:** 250 pax

2.0 COURSE DESCRIPTION

EdTech Summit is a free event that aims to help promote innovation and creativity in the process, delivery, methodologies, and management designs used by schools. It will feature valuable talks by speakers from EdTech enablers in the Philippines. The summit is expected to attract school owners, administrators, and teachers across Northern Luzon. The theme for this year's summit is "Ushering School 4.0: Preparing schools for the Fourth Industrial Revolution".

3.0 SPECIFIC OBJECTIVES

Our specific objectives for the Summit are laid out as follows:

1. Provide participants an overview of the education technology (EdTech) ecosystem in the Philippines
2. Help participants understand the importance of education technology in preparing students to face the fourth industrial revolution
3. Provide a platform where participants can discuss about their challenges in implementing EdTech solutions in their respective schools
4. Assist participants to engage EdTech startups that can provide solutions to their current challenges
