**DR. MAY B. ECLAR, CESO V**  
Regional Director  
Department of Education – Cordillera Administrative Region

RECEIVED  
MAR 02 2020

**DEAR DR. ECLAR:**

Greetings of peace!

Inspired by our goal to deliver relevant science and mathematics education in the country, we are again conducting a training workshop for teachers in the senior high school and tertiary education levels on April 22-24, 2020 at the University of the Philippines, Baguio. This academic year's theme is "Upgrading Senior High School Science and Mathematics Education: Content and Competency Part 1." To further realize the theme, the general objective of the activity is to reinforce pedagogy and research in science and mathematics through innovative approaches. We are also an accredited CPD provider for professional teachers by the Professional Regulation Commission (PRC) with program accreditation code PTR 2019-296.

To give you a background, Summer Institute in the Natural Sciences and Mathematics (SINSM) is an annual extension service of the College of Science. Since 1990, we had trained and updated secondary and tertiary educators on the latest development in theory, applications and pedagogy, as well as refresher courses in the basic concepts in the fields of Biology, Mathematics, Computer Science, Physics, Chemistry, Geology, and recently in Sports Science through the conduct of lectures and seminar workshops related to these fields.

In connection to our incoming activity, we would once again humbly request for an advisory from your good office. Attached is a copy of our invitation brochure for your reference. Should you wish to know more about our activity, you may visit us at <http://sites.google.com/up.edu.ph/sinsm2020> or email us at [sinsm.upbaguio@up.edu.ph](mailto:sinsm.upbaguio@up.edu.ph). We thank you for continuously supporting our endeavor.

Sincerely,

**JENNIFER BANDAO-ANTONIO**  
Chairperson, SINSM 2020
