Dear Madam/Sir:

Greetings from the UP Santahi Alliance!

THE ORGANIZATION

The UP Santahi Alliance is a duly recognized congregation of different provincial, regional, and ethno-linguistic organizations in University of the Philippines Diliman. Now on its 44th year, it has been pursuing a goal of exploring diverse cultures in the country, encouraging unity among its member organizations while promoting awareness and appreciation of the various cultures and traditions present in the Philippines. Along with this, the Alliance is pressing forward to promote the highest degree of academic excellence and awareness primarily among the Filipino youth to further empower them in being catalysts of change in their respective schools and provinces.

PATALASANLAHI 2020

In line with this, the Alliance is spearheading the PATALASANLAHI 2020 on March 7-8, 2020 at the University of the Philippines Diliman. This is an academic inter-school competition joined by grade school, junior high school, and senior high school students originating from the different provinces and regions in the Philippines. With this year's theme, *"Undaunted: The Filipino Youth As Challengers of the Status Quo"*, the Alliance aims to highlight the courage of our youths in standing up for what they believe is right and just even if it means going against what society has constructed and expects of them. The participating delegates, which are winners of the provincial/regional academic competitions held in their province/region, are sponsored by our member organizations.

The competition consists the following events for the elementary schools category: *essay writing, pagsulat ng sanaysay, poster making, and quiz bee*, while the junior high school category is composed of the following events: *essay writing, pagsulat ng sanaysay, poster making, impromptu speech, dagliang talumpati, quiz show, and debate competition*. This year, the doors of PATALASANLAHI 2020 once again open for senior high school students with *short film making* and the launching of *essay writing, pagsulat ng sanaysay, impromptu speech, and dagliang talumpati*. There is also a workshop for coaches and participants about *writing, speaking, film making, and debate*.

This year, in the pursuit of a greater audience and to intensify our campaign for a wider delegation from the winners of the provincial and/or regional competitions, we hereby ask for a travel order/advisory from your good office. Some schools, despite being interested, decline to participate because of the lack of an advisory from the Department of Education.

We are looking forward to hearing a positive response from your office. For questions or concerns, kindly contact the Alliance's Secretary-General. Your support would greatly boost the success of this endeavor.

Thank you very much!

Sincerely yours,
