SUBJECT: Request for training venues/classroom/headquarters during the 2020 Census of population and Housing (CPH) 4th Level Training for Enumerators (ENs) and Team Supervisors (TSs)

Dear Madam:

Greetings.

The Philippine Statistics Authority (PSA) will conduct the 2020 Census of Population and Housing (2020 CPH) all over the country in September 2020. It was originally scheduled last May 2020 but was cancelled due to Covid 19 crisis. We would like also to inform you that this 2020 CPH, teachers will no longer be involved due to start of classes on August 2020.

The 2020 CPH aims to provide government executives, policy and decision makers, and planners with updated population and housing data, which shall be used as bases to their social and economic development plans, policies, and programs and in the allocation of resources at various geographic levels.

In this regard, we kindly request to use any available building/classroom in the public schools in the city as training centers during the 4th Level Training for Enumerators (ENs) and Team Supervisors (TSs) to be conducted on August 10-15, 2020. Relative to this, may we earnestly request for at least thirty-five (35) classrooms for the training since only twenty (20) participants will be accommodated per classroom to ensure social distancing. We can also the training on two (2) batches on August 10-15, 2020 and August 17-22, 2020 depending on the availability of classrooms.

Thank you very much.

Very truly yours,
