

8 June 2020

MARIE CAROLYN B. VERANO, CESO VI
Schools Division Superintendent of Baguio City
Department of Education (DepEd)
#82 Military Cutoff Road, Baguio City

Dearest Madam:

Greetings!

In observance of the **National ICT Month** with the theme "**Maximizing ICT for the New Normal**", the Department of Information and Communications Technology (DICT) explores the potential role of Information and Communications Technology (ICT) in transitioning the nation to the "new normal"

With life's adjustments as we transition to the new normal and adapt to new ways of learning and working while keeping ourselves and our families safe, our Cluster Office will conduct a month long seminars on the internet (webinars) aimed at capacitating and upskilling the ICT competencies of teachers, administrators, educators, and students in different public and private educational institutions, and state universities and colleges.

Relative to this, may we invite you and your staff to the various upcoming online training courses/seminars (please see attached) **which are for FREE** by registering through the link provided. Further, certificates shall be issued to participants who have completed the course/training.

For queries/clarifications on this matter, please contact Engr. Alicia M. Piacos, Provincial Officer for DICT Baguio/Benguet through CP#09479214144 or email address at alicempiacos@gmail.com.

Our sincerest gratitude for your untiring support to the programs and projects of our Department.

Respectfully,

LEO B. UGTO
Director III
ROO-LC1

To: All School Administrators, Principals & Teachers In-Charge
(Elementary & Secondary)
FOR YOUR INFORMATION & APPROPRIATE ACTION
