Dear Synergeia Partners,

I am sending to you the program for the Northern Luzon Education Council Summit with the theme, "Breaking Through Barriers to Make Education Work" on SEPTEMBER 16, 2020 from 1:30-3:30 PM.

We encourage our Mayors to please attend this very important conversation. This is a great opportunity for us to express our apprehensions, share our best practices and work together to make education work in the midst of the pandemic.

Due to the limited number of Zoom slots, we can only allow 10-15 slots per LGU. We suggest that our Mayors, DepEd Superintendents/Supervisors and LSB members join us at Zoom. For our school heads, teachers, parents, barangay leaders and other concerned community members, they may join us at FB Live at the Synergeia Foundation Facebook page. We will also be accepting registration and entertaining questions and comments at FB Live.

Lastly, it would truly help us if you can send us your confirmation of attendees on Zoom by tomorrow. At least, send us the number of Zoom slots you will be using. Do let us know if you will be needing more than 15 slots. You may reach me on this email, at FB Messenger (Ningning C. Doble) or text/call me at 09178501110.

Thank you! We are excited to see you on Wednesday!

Ningning Doble
Program Officer - North Luzon
Synergeia Foundation
