WHAT: 2020 INTERNATIONAL INTEGRATED RESEARCH CONFERENCE (IIRC)

Peace and all good!

Mindful of the importance of integrated research in the field of basic and higher education, the Asia Pacific Movement for the Advancement of Pedagogy and Research (APMAPeRe) and the Philippine Continuing Professional Development Training Center, Inc., an accredited continuing professional development (CPD) provider by the Professional Regulation Commission (PRC) would like to request a **DIVISION ADVISORY in reference to the REGIONAL ADVISORY released from the Regional Office of DepEd CAR** (see attached Regional Advisory for your perusal), inviting interested licensed professional teachers and researchers to join the **2020 INTERNATIONAL INTEGRATED RESEARCH CONFERENCE (IIRC)** online on October 16-18, 23-25, 2020. Its theme is '*Autonomy of Learning and Integrated Research Towards Industrial Revolution 4.0*'. The goal of the said conference is to provide the participants the opportunity to listen to plenary speakers who are experts in different fields of pedagogy; present papers in the breakout sessions and observe other experts and presenters.

Same as last year's event, the stellar research studies presented at the confab will be printed in an electronic journal. Twenty (20) criminal justice research studies will be peer reviewed and printed in the Philippine Criminology Journal Volume 2, Issue 1; and forty (40) educational research will be printed in the Kahusayan, An Interdisciplinary Research Journal for Educational Research. In addition, this year we will be launching the Philippine Journal on Action Research where we will publish twenty (20) of the best research studies on action research.

Should you have other questions on the details of the conference, our Secretariat can be contacted at 09178053370, 09338674931 and (02) 4180975.

As I anticipate your favorable response, allow me to extend my gratitude in advance.

Peace be unto you!

Building on the success of the 2019 International Integrated Research Conference held last Sept 20-22, 2019 at the Ateneo de Manila University, the undersigned would like to seek a regional advisory for the conduct of its 2020 iteration. We believe the 21st century educators must persevere in anchoring their pedagogical practices through evidence-based research. As such the 2020 IIRC will provide the avenue for Filipino Educators and their foreign counterparts to present their research for the review of their peers and eventual publication.

Considering the current situation, the organizers have decided to conduct the conference online. We will be guided by the theme, "Autonomy of Learning and Integrated Research Towards Industrial Revolution 4.0". The conference is scheduled on **October 16-18, 23-25, 2020** with a minimal fee of **Php 4500.00 (Research Presenters) and Php 3700 (Non-Presenters)**, participants will be provided online access on the conference, certificates, and kit/merchandise. Moreover, we would apply for 15 CPD units for the said conference with the CPD Council for Teachers and Criminologists. With this letter is the program of the conference. For other questions, please get in touch with us through iirc.pcpd2020@gmail.com, or the following numbers: 09178053370; 09338674931; (02) 79871356.

In anticipation of your favorable response, allow me to extend my sincere gratitude in advance.

Sincerely,
