**Dr. Estela L. Cariño**  
Regional Director  
Department of Education  
Cordillera Administrative Region (CAR)  
Republic of the Philippines

Dear Dr. Cariño:

Greetings from ETCOR Educational Research Center!

Staying true to its mission to help researchers love and embrace the culture of research and responding to the challenge that education must continue despite the presence and threat of the COVID-19 pandemic, ETCOR Educational Research Center located in Sta. Ana, Pampanga, Philippines has launched two projects namely: (1) "Project SAGIP MANANALIKSIK (For Everyone)", and (2) "Project SAGIP MANANALIKSIK (One-on-One)".

## 1. "Project SAGIP MANANALIKSIK (For Everyone)"

Under the "Project SAGIP MANANALIKSIK (For Everyone)", ETCOR's research consultants who are composed of various research experts from the different parts of the country and are immersed in the conduct and teaching of research from various levels (basic education and higher education institutions) are serving as volunteer speakers/lecturers/moderators in a series of **FREE webinar** covering the Department of Education's Most Essential Learning Competencies (MELCs) for the following Senior High School research subjects: Practical Research 1 (Qualitative Research), Practical Research 2 (Quantitative Research), Inquiries, Investigations and Immersion (3Is), and the Research Capstone.

This project is an acknowledgement of the fact that DepEd needs partners from the private sectors or private groups that share the same mission and aspirations for the Filipino learners to have quality, relevant and accessible education even in the time of pandemic. The series of webinar under this project are in support and an augmentation of DepEd's different learning delivery modalities.

The series of webinars are being delivered via Zoom meeting with public and private SHS students-audience coming from the different parts of the country. The webinars' video recordings are also uploaded in ETCOR's YouTube channel and Facebook Page to accommodate to those students who will not be able to attend the webinars.

## 2. "Project SAGIP MANANALIKSIK (One-on-One)"

Under the "Project SAGIP MANANALIKSIK (One-on-One)", ETCOR's research consultants and other research enthusiasts and benefactors are individually adopting one Senior High School (SHS) learner from ETCOR's list of student-beneficiaries and from

which the former are expected to assist the latter **FOR FREE** in their SHS research journey either via coaching and/or provision of financial aid to help them in their expenses related to research. ETCOR has set requirements for students who would like to apply as student-beneficiaries under the said project.

This project is an acknowledgement of the fact that research should not only teach people to be intellectual persons, but should develop in them the value of extending their assistance – no matter how little that might be – for other people especially during this time of uncertainty.

**We will be very happy if your office can issue a DepEd advisory for these two projects** so that we can reach more Senior High School student-beneficiaries and help them and other concerned people be aware of this noble endeavor.
