ATTN: EPS for Science - Invitation to join the Search for Science Tech Tok from the Youth (PFST's online educational competition)

1 message

Philippine Science Centrum Pfst <pfst_psc@yahoo.com>
To: "baguio.city@deped.gov.ph" <baguio.city@deped.gov.ph>

Dear Sir/Madam:

A blessed New Year's greetings!

The Philippine Foundation for Science and Technology(PFST), a non stock, non-profit organization partners with the Department of Science and Technology-Science Education Institute (DOST-SEI) in launching an online competition inspired by the famous short form video sharing app Tiktok. This competition invites junior students (grades 7 to 10) to present a short video with any Science, Technology, engineering and mathematics (STEM) related topics.

In this light, PFST would like to invite your students to join the said competition. Attached herewith are the copies of the competition's description and guidelines/mechanics. Please see attached files and fb fanpage [link:https://www.facebook.com/sciencetecht2020](https://www.facebook.com/sciencetecht2020) for your reference.

For more queries, please feel free to contact the Tech Tok Secretariat at 0927-578-5444 /0917-5266-356 or 8942-4137 / 8942-5091.

We would be glad to hear from you. Thank you very much and looking forward to your schools' participation to this online educational competition.

Wishing you and DepEd-Baguio City team a healthier and safer 2021!

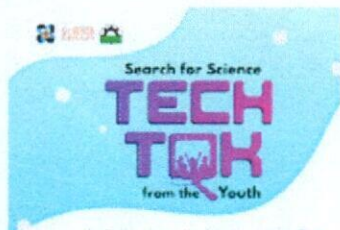

More power!

Cheers,

Tech Tok Secretariat

To: All School Administrators, Principals & Teachers In-Charge
(Elementary & Secondary)

Search for Science

TECH TOK

from the Youth

Theme: Any Science, Technology, Engineering and Mathematics (STEM) related topics

Eligibility:

Open for Filipino students in grades
7-10 ages 12-16 years old, enrolled in
PUBLIC schools in the Philippines

Entry Requirements

1. An individual or group with maximum of three (3) members. Participant/s must observe the IATF's health safety protocols when facilitating the shoot.
2. Must depict or interpret the theme.
3. An original three to five (3-5) minute video presentation with resolution of at least 480dpi either .mp4 or .mpeg format (could be in English or any dialect with English caption/subtitle).
4. A written explanation and /or description of the work/entry.
5. The entry should have not been submitted in previous contests or used or uploaded in any social media platforms.

Propriety Rights

All entries submitted shall become the property of the organizer (PFST) and sponsor (DOST-SEI). Thus, they have all the rights to utilize the videos for various publications and other activities.

Submission

Email entry using the official email address ScienceTechTok2020@gmail.com using the email subject: Search for Science Tech Tok for the Youth <space>name of the members <space>name of school <space>address

1. Information: Name of the Participant/s; Name of School and Address; Age; Grade/Level
2. Written explanation/description
3. Attachment: video file

Criteria for Judging

The entries will be judged according to the following criteria:

Content <i>(The video should effectively communicate the theme on STEM.)</i>	50%
Originality and Creativity <i>(The video should be able to convey the idea in an original and imaginative manner.)</i>	30%
Visual Appeal <i>(The video should be interesting and engaging.)</i>	20%

Timetable

Submission of Entries:

December 01, 2020 - January 31, 2021

Review and Judging: February 1 - 15, 2021

Announcement of Winners: February 28, 2021

Judging

1. All entries will be pre-screened by the PFST-Philippine Science Centrum Tech Tok Secretariat to ensure compliance to the mechanics and relevance to the theme. Examples: experiments, documentary, vlogs about any STEM topics, stories on citizen science breakthroughs, games, etc. The Secretariat has the right to validate the originality of the entries as well as information about the participants. Entries that do not comply with the specifications and entry requirements shall be disqualified.
2. The decision of the Board of Judges is final and unappealable.
3. The winners will be notified through emails and announced in the website and facebook account.
