Dear Ma'am/Sir SDS:

I would like to thank you for sending attendees to our presentation of how we are implementing Creotec's online work immersion program. We have given free slots to the schools represented in the sessions. As of today, we have almost 500 students from different public schools nationwide who will experience our immersion program.

If you still wish to send your schools' immersion teachers or coordinators to attend our presentations, please feel free to share this registration link.

The schedules are included in the form.

We shall continue to be of service to the education sector to contribute through our humble and simple way of sharing industry practices, tools and methods.

Thank you,

DR. THESS P. BERMUDEZ

Dear Ma'am:

We would like to invite you to listen to how we are implementing our online work immersion program for Senior High School students of public and private schools.

We know that there are challenges on how to provide the necessary experience for SHS students to learn the soft and technical skills from industry exposure at this time of pandemic.

It is in this regard that we would like to share our program with the schools to serve as a possible benchmark for individual implementation this and the coming school year. This is a one-hour session that we are opening for a presentation and forum to accommodate queries.

Interested schools can send their Immersion Coordinators by registering to this link - <https://forms.gle/xVPcQIGe7yBnDQGF7>

Also, selected schools represented in the session will be given the chance to send a few their students at no cost to experience our work immersion program.

Thank you.

Sincerely,

DR. MA. THERESA P. BERMUDEZ
