Dear Ma'am/Sir SDS:

We would like to invite you to listen to how we are implementing our online work immersion program for Senior High School students of public and private schools.

We know that there are challenges on how to provide the necessary experience for SHS students to learn the soft and technical skills through industry exposure at this time of pandemic.

It is in this regard that we would like to share our program with the schools to serve as a possible benchmark for individual implementation this and the coming school year. This is a one-hour session that we are opening for a presentation and forum to accommodate queries.

Interested schools can send their Immersion Coordinators by registering to this link - <https://forms.gle/xVPcQiGE7yBnDQGF7>

Also, selected schools represented in the session will be given the chance **to send a number of their students at no cost to experience our work immersion program.**

Thank you

Sincerely,

DR. MA. THERESA P. BERMUDEZ
