DR. ESTELA L. CARIÑO
 Regional Director
 DepEd CAR
 La Trinidad, Benguet

Dear Dr. Cariffo:

We are pleased to inform you that the Department of Science and Technology-Science Education Institute (DOST-SEI) will host the 2nd International Conference under the Project Science Teacher Academy for the Regions (STAR) bannered by the theme *"Innovations, Challenges and Transformations in STEM Education: Moving Forward in a Post-Pandemic World"* on November 16-18, 2021.

The said conference will gather teachers, educators and education policy makers to discuss and share ideas on the current state and future direction of international science and mathematics education. It also seeks to continue Project STAR's goal of capacitating and empowering the Filipino teachers. It will cover the strands on instructional materials, teaching innovations, assessment and action research.

In this regard, we would like to invite teachers/educators in your region to submit papers for presentation on or before **July 16, 2021**. We would highly appreciate the dissemination of the information through issuance of a memorandum. Attached are the announcement for call for papers and guidelines for submission for reference.

Our DOST-SEI personnel, Ms. April Valdez, will take charge of communicating with your office regarding this request. She may be reached at email address projectstarconference@gmail.com or at mobile number 09176364420.

Thank you.

Very truly yours,

ABSTRACT (12 Font Size, bold, all caps, centered)- Abstract should be written in 200 words and with 10 font size, Times New Roman, justified, single line spacing. Objectives, methods and findings are summarized in this section.

KEYWORDS: keyword 1; keyword2; keyword3; up to 5 (Said section should contain maximum 5 words that are written with 10 font size and separated with semi-colon)

I. INTRODUCTION (Title Times New Roman, 12 font size, bold). Current literature regarding the work subject should be examined and the differences of the said work from the past, similar works should be presented clearly in the introduction section.

II. METHODOLOGY The methodology must be clearly stated and described in sufficient detail or with sufficient references. The author shall explain the research question, describe the research framework, and the methods applied in detail. It should be furthermore highlighted why the research question is relevant to theory and practice, and why the chosen method(s) are suited for the problem.

III. RESULT Presentation of the result obtained. If possible, use descriptive figures or tables rather than explain in text. Do not discuss or interpret the results at this stage.

IV. DISCUSSION Discuss the results. Put your results in perspective by comparing to other studies or generally accepted knowledge in the field. Criticize your own method and results, for example, with respect to the simplifications made.

V. CONCLUSIONS Conclusions should include (1) the principles and generalizations inferred from the results, (2) any exceptions, problems or limitations of the work, (3) theoretical and/or practical implications of the work, and (5) conclusions drawn and recommendations.

VI. REFERENCES References should be listed in alphabetical order and presented in a commonly accepted format but in a consistent style. Use the following examples:
