Dear Dr. Cariño

The Life Enrichment Program Philippines (LEPP) is a family strengthening program and founded in Baguio City, Philippines. It is our heart to promote Christian principles in child rearing, family relationship, marriage, financial management, work ethics, personal and professional development. We exist to lead and mentor individuals to live significant life, impact workplaces by facilitating skills enhancement and professional growth, forge strategic partnerships and network expertise, and establish holistic family strengthening activities.

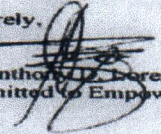

The FAMILY as the fundamental unit of the society must be preserved and empowered! Parental absenteeism, disintegration of moral values, domestic violence, teenage pregnancy, dangers of drugs, juvenile delinquency, negative influence of media, gender confusion are some of the challenges confronting Filipino Families today. The situations that are happening in the home will surely have an impact in our society in general, our churches, communities and even our schools in particular.

Also, one of the challenges amidst this pandemic is trying to ensure that everyone in our family is in good shape while having to go through so many changes. For a lot of people, this can take a toll on their mental and emotional well-being. How do we adapt to this "new normal"?

To help families through this challenge, I am writing this letter to rally your support and at the same time invite the SCHOOLS under your supervision to participate in the upcoming FAMILY ENRICHMENT WEBINAR on August 30 2021, 8am to 12nn via ZOOM, with distinguished experts to share their thoughts and tips on: "Effective Communication in a World of Miscommunication" and "Parenting Children and Adolescents in the Age of Screens." This is a life transforming event on family matters, where people can learn and discuss issues and challenges Filipino families are facing today.

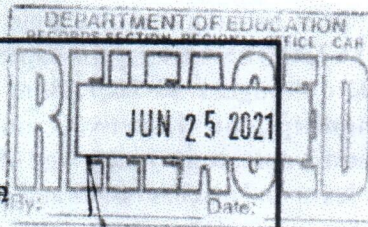

We are recognizing the powerful impact of your social influence and we will be grateful if you can help us promote this event/webinar by recording a short video with your recommendation. Attached herewith is our poster for more details. We are looking forward to your favorable response.

Sincerely,
