The Superintendent

Dear Sir/Madam:

Greetings of Peace from St. Paul University Manila!

Distance is no longer a hindrance to avail Paulinian Education. You can be a Paulinian even if you are from the different cities and provinces of the Philippines! We have students from different parts of the world as well. This is the power of Online learning.

St. Paul University Manila is now open for admission to the Senior High School program for the academic year 2021- 2022. Our institution is a leader in holistic, quality education in the Senior High School Program. Our offerings include **ABM** (*Accountancy and Business Management*), **AADT** (*Arts and Design Track*), **HUMSS** (*Humanities and Social Sciences*), and **STEM** (*Science, Technology, Engineering & Mathematics*).

In this 2nd year of the global pandemic, St. Paul University Manila continues to thrive in the online learning modality. Through our partnership with Schoology, learning has cut across boundaries. It is imperative that students be equipped with the necessary skills to succeed in life. **We are humbly asking for your kind assistance in connecting us with the public junior high schools within your district.** We would like to conduct our Career Orientation with these schools in order for them to know and understand what St. Paul University Manila is offering. We are offering fully online and blended learning modalities.

If the school is in a modular type of learning and a career talk is not possible, we can send you a link where our career talk materials can be found. The school heads or guidance coordinators may send the link to the Grade 10 Homeroom Advisers and can send it to the group chat of their advisory class or insert the Google Drive link to the envelope of their module. The link is: https://drive.google.com/drive/folders/1Hq_J4946eMY2M3qp4KsJKcQeEL9JKDYQ

Also, attached herewith is the proposal letter for the public and private secondary schools within your district.

We are very excited to be partnering with you in this endeavor. Should you have any questions, you may contact Mr. Diosdado S. Vinluan Jr., Marketing Head of the Senior High School Department, at 09619767336

or djvinluan@spumanila.edu.ph We will also be following up with your good office within a week from receiving a copy of our proposal.

Thank you. Caritas Christi Urget Nos.

The Principal

Dear Sir/Madam:

Greetings of Peace!

Distance is no longer a hindrance to avail of Paulinian Education. You can be a Paulinian even if you are from the different cities and provinces of the Philippines! We have students coming from the different parts of the world as well. This is the power of Online Learning.

St. Paul University Manila is now open for admission to the Senior High School program for academic year 2021- 2022. Our institution is a leader in holistic, quality education in the Senior High School Program. Our offerings include **ABM** (*Accountancy and Business Management*), **AADT** (*Arts and Design Track*), **HUMSS** (*Humanities and Social Sciences*) and **STEM** (*Science, Technology, Engineering & Mathematics*).

In this 2nd year of the global pandemic, St. Paul University Manila continues to thrive in the online learning modality. Through our partnership with Schoology, learning has cut across boundaries. It is imperative that students be equipped with the necessary skills to succeed in life. To assist in guiding the Grade 10 students in choosing the correct track for them in the Senior High School, we would like to propose if we may conduct a **30-minute online presentation** with your students. Our talk would focus on our **learning modalities and how classes were conducted during the first year of online learning** as well as track offerings, career paths and our special programs. As an enrichment to the K-12 Curriculum, we are focused on Outcomes- Based Pedagogy which ensures that the students are fully competent to address the needs of society and to be at par with the rest of the world. It is our mission to produce Christ-centered, integrated, competent, responsible and compassionate advocates of social transformation in the service of the Church and society. Graduates of St. Paul system are known to succeed in the areas of Education, Leadership & Management, Nursing, Business, Hospitality Management, Tourism, Film and Music and the Performing Arts.

We understand that classes in your schools will be ending. We would appreciate it if we would be given a chance to share the Paulinian Education to your students. We are very excited to be partnering with you in this endeavor. Should you have any questions, you may contact Mr. Diosdado S. Vinluan Jr., Marketing Head of the Senior High School Department, at 09619767336 or djvinluan@spumanila.edu.ph We will also be following up with your good office within a week from receiving a copy of our proposal.

Thank you. Caritas Christi Urget Nos.
