MS. MARIE CAROLYN B. VERANO
Schools Division Superintendent
DEPED SCHOOLS DIVISION OF BAGUIO

Dear Ms. Verano,

We would like to invite your students to participate in an online event, *Crafting Chapters and Lessons in Thought Leadership, Year VIII* happening on August 06, from 2:00 to 3:30 PM through Zoom and Facebook Live. We will be glad to invite **10 student-leaders per school**, academic achievers, and athletes from your division specifically Grade 10-12 (Senior High School).

Throughout the years, the Academy conducts Executive Talks to enhance the development of current and future leaders. With students transitioning from the New Normal to the Normal Virtual Learning, this has also opened doors to hone their leadership skills by exploring businesses that interest them. This year's theme focuses on The Dream Weavers, Exploring Hobbies that turned into Passion, and Empowering Youth through E-Games.

Of these talks, the *Crafting Chapters and Lessons in Thought Leadership* holds a special place for it is designed to inspire students to pursue their passion and dreams regardless of challenges and circumstances. Since its inception, this event has touched and lent insights to thousands of students from more than 50 colleges and universities.

This August, FPLA will bring together a group of leaders for the eighth season of *Crafting Chapters*. We shall feature global talents who have pursued their passion and made a mark in places and scenes in the Philippines. The audience will hear from Trese Domingo, CEO who pursued farming, Justin Villaflor, a medical student and volunteer in the OVP's Programs, and game influencer Zedrick John Macarios.

Should you have questions or clarifications, or should you wish to send the list of your participants for this learning event, you may send an e-mail to Ms. Kristine Villangca or Ms. Jay Ann Suarez at ice.villangca@fpla.com.ph / jayann.suarez@fpla.com.ph or you can contact them through 0998 841 3313/0908 890 3550.

We hope to hear from you soon.

Kind regards,

Crafting Chapters and Lessons in Thought Leadership 8 Open Windows: Discovering Ventures

PROGRAM DESCRIPTION:

Crafting Chapters and Lessons in Thought Leadership is an annual benefit-learning event that fulfills young minds to explore and rediscover opportunities that revolve around their mindset of triumph and self-value. A small gesture of gratitude from our Chairman Manuel V. Pangilinan, to nurture an attitude of success, and giving an extra hand by amplifying practices of self-rediscovery in the form of innovation. As Grade 10-12 students transition from the New Normal to the Normal Virtual Learning, this has also Opened New Windows to hone their leadership skills through exploring businesses that marked their interest. This year's theme will take these students into various topics such as *The Dream Weavers*, *Exploring Hobbies that turned into Passion*, and *Empowering Youth through E-Games*. This year's installment will be held on **6th of August 2021 at 2:00 to 3:30 pm.**

PROGRAM OBJECTIVES:

- **Determine the innovative ways of the youth while coping during the pandemic era:** The program or the leadership talk aims to magnify stories of success of young innovators despite the difficulties, challenges and hindrances during the time of crisis and to highlight the importance of optimism and venturing out to possibilities.
- **Provide inspiration and motivation to strengthen youth leaders' self-value:** Pandemic has caused a lot of unknown tremors to the youth that increased their vulnerability to disappointments. One of the goals of this event is to relive the passion of the young leaders and also to inspire their generation.
- **Introduce entrepreneurial consciousness:** Strengthening the idea and development of entrepreneurial consciousness driven by passion and purpose that creates greater impact and meaning.
- **Empowering the youth through E Games:** The goal of this event is to build and vitalize innovative opportunities for the youth.

PROGRAM TOPICS:

The Dream Weavers

Pandemic has shown the resilience of Filipinos through creativity and practicality. Many students have expressed their interests and abilities to do business. FPLA seeks to ignite and add spark to every students' bright ideas and skills through success stories and tips from the invited speaker.

Hobbies Turned into Passion

There are many ways to cultivate passion and business amidst the pandemic. This topic demonstrates that we can turn our Hobbies into Passions. The invited speaker will share how she discovered her ultimate passion.

Empowering the Youth through E-Games:

The current trend among students is to find ways to beat the stress and time constraints. With the growing popularity of e-games, this topic explores the importance of providing young players with the right social skills and other values.

Invited Speakers

1. Tres Domingo

Tres Domingo is the CEO of Ideas X Machina (IXM), which is one of the top advertising agencies in the Philippines. Recently, the company won two recognitions at the Campaign Agency of the Year Awards, besting dozens of global competitors for Best Place to Work and Talent Management Team of the Year.

Considering his streaks of successes, Domingo actually has very humble beginnings. He grew up playing inside the notorious maximum security compound of the National Bilibid Prisons, where his father worked as a prison guard. His playmates were inmates who taught him how to play chess.

Now that he's CEO of a company he built from the ground up, Domingo is now also living his dream of being a farmer.

2. Justin Villaflor

Justin Villaflor was once a corporate nurse at the academy.
