Dear OPC Cities:

We hope everyone is doing well and safe!

With regard to your city's engagement to WWF-Philippines' One Planet Cities (OPC) project, we aim to provide capacity building, training, webinars, etc. not only to the city government staff but also to other key stakeholders of your city. As such, we developed a webinar series called "*One Planet, One Future*" which mainly aim to increase the participation of the cities' youth to climate-informative events that provide awareness and knowledge on sustainable development, urban resiliency and transformative climate actions to attain a one planet future.

In celebration of 2021 International Youth Day this month, we would like to invite your city's youth to *this first webinar* entitled "**Transformative Youth: Reframing Climate Change and Food Security for a One Planet Future**" this coming **August 13 (Friday), 2-3:30PM via Zoom.**

May we kindly request you to **forward/share this information to your SK Councils, DepEd partners, other local youth organizations as well as to your City Youth Development Offices.** This webinar is open for **all youth, ages 15-30 years old from all the 16 participating cities.**

For your reference, attached is the event information while below are the Registration and Zoom details:

Google Registration Form*: <https://bit.ly/3ftCHMr>

Zoom Details:

Link: <https://wwf.zoom.us/j/99153162048?pwd=VWtBSGIWaytibEhrRDByS2Fyd3h2dz09>

Passcode: 067501

Webinar ID: 991 5316 2048

*Registered participants will have a chance to join in the mini-affle draw during the event.

Should you have further questions, please do not hesitate to send us an email or you may directly contact our **Project Coordinator, Debby Sy or Project Manager, Imee Bellen**

Thank you!
