

07 September 2021

Federico P. Martin, EdD., CEEd, CESOV
Schools Division Superintendent
83 Military Cut-off, Baguio City

SIR:

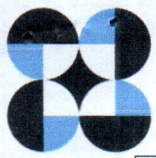

Greetings!

The Department of Science and Technology-Cordillera Administrative Region (DOST-CAR) will conduct the **2021 National Science and Technology Week (NSTW) in CAR** from **21-24 September 2021** with the theme, *“Agham at Teknolohiya: Tugon sa Hamon ng Panahon”*. This event is the pre-celebration of the National Science and Technology Week (NSTW) Celebration in November 2021.

Part of the celebration will be the **Launching of DOST Enhanced Nutribun Adoptors in CAR**, to include one adoptor in Baguio City, on **September 24, 2021, 1:00-5:00 PM** at the **Provincial Science and Technology Center-Benguet Conference Room, Governor Pack Road, Baguio City**. The Enhanced Nutribun is one of the DOST-FNRI’s answers to the call on a science driven solution that government is pursuing to address hunger and malnutrition. Attached is the program for your reference.

With this, may we invite you or your staff to join us in celebrating science, technology and innovation in the Cordillera region? To maximize the participation of various stakeholders in our region, we shall use the hybrid modality (physical and virtual). Further, we will livestream our activities live in our official Facebook page: <https://www.facebook.com/dostcar.gov.ph> and shared in our PSTC Facebook page: <https://www.facebook.com/DOST-PSTC-Benguet-Official>. Below are the Registration Links for other activities should your office wish to attend to:
